Welcome

Dear friends,

It gives us great pleasure to invite you to PARCON 2026, a focused two-day academic program designed exclusively for Obstetricians, with an emphasis on essential, practical, and evidence-based fetal medicine concepts that every clinician must master.

The theme for this year's meeting is:

“For Obstetricians – What All You Must Know”

The program has been structured to provide clarity, confidence, and clinical readiness in key areas of obstetric ultrasound, prenatal diagnosis, fetal screening, and growth evaluation.

We look forward to welcoming you to PARCON 2026 for an academic experience that is practical, clinically enriching, and highly relevant to everyday obstetric practice.

Warm regards,

Dr. Prashant Acharya, MD, FICOG

Medical Director, Paras Advanced Center for Fetal Medicine

Founder Secretary, Fetal Brain Society

ISUOG Fellow
